

MSUD valve plug BI-11mm with cable

PUR 3x0.75 gy UL/CSA 25m

MSUD Form BI (11 mm) 24 V AC ±20% / DC ±25% LED and suppression

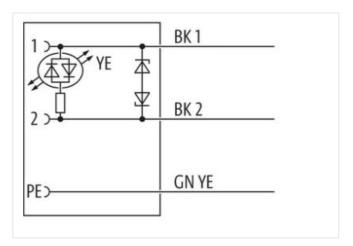

Further cable lengths on request. Plastic housings with good resistance against chemicals and oils.

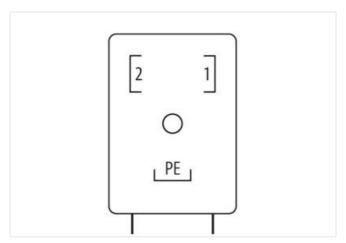

The resistance to aggressive media should be individually tested for your application. Further details on request.

stay connected

depending on cable quality
Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.
Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces.
