

## M12 female 0° with cable

TPE 8x22AWG gy UL/CSA. ITC/PLTC 5m

USA Female straight M12, 8-pole without cable sleeves Cable is approved for 300 V Plastic housings with good resistance against chemicals and oils. The resistance to aggressive media should be individually tested for your application. Further details on request. Further cable lengths on request.

| Note on strain relief                             | Protect the connectors by suitable measures from mechanical loads, e.g. by the usage of cable ties.  |  |
|---|--|--|
| Note on bending radius                            | Attention: Observe the permissible bending radii when laying cables, as the IP protection class can be endangered by excessive bending forces. |  |
| Conformity  |  |  |
